Dear Families and Friends of the Sagaponack Common School District:

I am writing to let you know of some upcoming changes. After almost eight years under the leadership of Mr. Alan Van Cott as our Superintendent, Mr. Van Cott has announced his retirement effective June 30, 2021.

I would like to publicly express my gratitude for Mr. Van Cott's work, especially during this past year. His experience as an educational leader has helped us to successfully navigate the hurdles involved in educating students during a pandemic. During his time with us, Mr. Van Cott has worked with the faculty and staff to improve educational opportunities for our students and to increase the partnerships with our neighboring school districts.

The Board of Trustees has already begun the search process to find the next superintendent/principal for our unique school district. As in the past, we have sought the support of Eastern Suffolk BOCES to assist us. An important aspect of that work is gathering input from you, our community members, about what you think is needed in the next superintendent/principal. To accomplish that goal, we invite you to complete a short survey by March 26th, which can be accessed on the home page of our school website at www.sagaponackschool.com.

Thank you for your support of our school district and your interest in its future.

Sincerely,

Cathy Hatgistavrou

Cathy Hatgistavrou
