

SAGAPONACK COMMON SCHOOL  
DISTRICT

June 2022 Newsletter

*The second half of the 2021-2022 school year was very busy for our students. Here are some of our activities and events:*

---

Hampton Library Visits:

During the winter months, the children wrote their own book of haikus. These creative works of art were displayed at the Budding Author's Reception at the Hampton Library in April. The students and teachers attended the reception along with other local schools. Fun was had by all!

---

Field Trips & Activities:

In January, the students went to the Buckskill Winter Club for their annual Friday skating sessions and in February, played tennis at the East Hampton Indoor Tennis Club. To finish our PE Winter Activity series, Kristin Davis, from Peaceful Planet Yoga joined us at the school to teach yoga stretching and breathing techniques to the children. The school took a field trip to the West Hampton Beach Performing Arts Center to enjoy the productions of the Tortoise and the Hare and Charlotte's Web. We also collaborated with the Long Island Science Center for their density/buoyancy science lesson that was hosted at the school. On May 13<sup>th</sup>, a visit to the Mulford Farms was a wonderful way to kick off the day with an Ice Cream Social Event that followed. Future Sagaponack School students, parents and community members listened to stories read by our current 3<sup>rd</sup> graders and afterwards enjoyed a treat from the ice cream truck! On May 26<sup>th</sup>, Joyce Raimondo, from the Pollack-Krasner House hosted a drip-painting project outdoors at the school. The children had

fun creating their own Jackson Pollock inspired artwork. Lastly, our end of the year trip to the Vanderbilt Planetarium and Museum was a fun educational experience. The children learned about the solar system and took a tour of the sea life exhibits in the museum.

---

Educational School Garden:

Our educational school garden continues to thrive! The children planted items such as marigolds, zinnias, beans, tomatoes, cucumbers and melons. During the summer months, the children will have an opportunity to harvest these flowers and vegetables to bring home to their families.

Many thanks to Mrs. V, our Teacher Aide, for also being our green thumb and contributing her time to keep our beautiful garden growing!

---

Spring Concert/Moving Up Ceremony:

Our spring concert took place on June 9<sup>th</sup> with the children playing instruments and singing songs.

The graduation/moving up ceremony took place outside at the school on Friday, June 24<sup>th</sup>. The children were presented with awards and goodie bags for a job well done this school year!

---

Many Thanks:

We would like to thank all of our parents and community members for being an active part of our school throughout the year! Your involvement is what makes Sagaponack School such a wonderful and unique place for our students!

---

Please view our website at:  
[www.sagaponackschool.com](http://www.sagaponackschool.com) in September to see a calendar of events for the 2022-2023 school year!
