

SAGAPONACK COMMON SCHOOL  
DISTRICT

June 2023 Newsletter

*The second half of the 2022-2023 school year was very busy for our students. Here are some of our activities and events:*

---

Hampton Library Visits:

During the winter months, the children wrote Tall Tales. These creative works of art were displayed at the Budding Author's Reception at the Hampton Library in April. The students and teachers attended the reception along with other local schools. Fun was had by all!

---

Field Trips & Activities:

In January, the students went to the Buckskill Winter Club for their annual Friday skating sessions and in February, played tennis at the East Hampton Indoor Tennis Club. To finish our PE Winter Activity series, Kristin Davis, from Peaceful Planet Yoga joined us at the school to teach yoga stretching and breathing techniques to the children. The school took a field trip to the West Hampton Beach Performing Arts Center to enjoy the production of "It's Ok to Be Different." We also collaborated with the Long Island Science Center for their hover craft science lesson that was hosted at the school. On May 16<sup>th</sup>, we invited incoming students and their parents to participate in a craft and stories read by our current students! On May 24<sup>th</sup>, a visit to the Sag Harbor Elementary School took place to view the 5<sup>th</sup> grade wax museum. We also had Joyce Raimondo, from the Pollack-Krasner House who hosted a drip-painting project outdoors at the school in the spring. On June 1<sup>st</sup>, we took a field trip to the Watermill Museum and Windmill and enjoyed a picnic lunch on the grounds.

The end of the year trip was to the Long Island Game Farm in Manorville. The children enjoyed an educational program to learn all about some of the resident animals such as the tortoise, alpaca, and BoBo the giraffe.

---

Educational School Garden:

Our educational school garden continues to thrive! The children planted items such as marigolds, beans, tomatoes, herbs and melons. During the summer months, the children will have an opportunity to harvest these flowers and vegetables to bring home to their families.

Many thanks to Mrs. V, our Teacher Aide, for being our green thumb and contributing her time to keep our beautiful garden growing!

We also had the pleasure of planting flowers in the Sagaponack Village's pollenating garden!

---

Spring Concert/Moving Up Ceremony:

Our spring concert took place on June 8<sup>th</sup> with the children playing instruments and singing songs.

The moving up ceremony took place at the school on Friday, June 23<sup>rd</sup>. The children were presented with awards and goodie bags for a job well done this school year!

---

Many Thanks:

We would like to thank all of our parents and community members for being an active part of our school throughout the year! Your involvement is what makes Sagaponack School such a wonderful and unique place for our students!
