DISTRICT
June 2024 Newsletter

Hampton Library Visits:

During the winter months, the children wrote limericks and affirmation books. These creative works of art were displayed at the Budding Author's Reception at the Hampton Library in April. The students and teachers attended the reception along with other local schools. Fun was had by all!

Field Trips & Activities:

In January, the students went to the Buckskill Winter Club for their annual Friday skating sessions and in February, played tennis at the East Hampton Indoor Tennis Club. To finish our PE Winter Activity series, Kristin Davis, from Peaceful Planet Yoga joined us at the school to teach yoga stretching and breathing techniques to the children. In February, the school took a field trip to the West Hampton Beach Performing Arts Center to enjoy the production of "The Boy Who Cried Wolf" and then again in the spring to see "Rosie Revere the Engineer." We also collaborated with the Long Island Science Center for their physics of toys science lesson that was hosted at the school. On April 30th, the children enjoyed a field trip to Corwith's Farm in Watermill and on May 21st, went to the Quogue Wildlife Refuge Center. On May 22nd, a visit to the Sag Harbor Elementary School took place to view the 5th grade wax museum. We invited incoming students and their parents to participate in a craft and stories read by our current students at the end of May! The children were invited to the Sagaponack Village Hall to help with the planting of the pollinating garden. Our end of the year trip was to the Long

Island Aquarium in Riverhead on June 4th. Students, teachers and parents enjoyed viewing the many different species of fish, sea lion show, the sting ray touch tank and had a picnic lunch under the pavilion, afterwards.

Educational School Garden:

Our educational school garden continues to thrive! The children planted items such as marigolds, snap peas, tomatoes, herbs and different varieties of lettuce. During the summer months, the children will have an opportunity to harvest these flowers and vegetables to bring home to their families.

Many thanks to Mrs. Baer, our Garden Consultant and Mrs. Velasquez, our Teacher Aide, for being our green thumbs and contributing their time to keep the school's beautiful garden growing!

Spring Concert/Moving Up Ceremony:

Our spring concert took place on June 13th with the children playing instruments and singing songs.

The graduation/moving up ceremony took place at the school on Friday, June 21st. The children were presented with awards and goodie bags for a job well done this school year!

Many Thanks:

We would like to thank all of our parents and community members for being an active part of our school throughout the year! Your involvement is what makes Sagaponack School such a wonderful and unique place for our students and families! We hope everyone has a fun-filled summer!

Please view our website at:
www.sagaponackschool.com in September to see a calendar of events for the 2024-2025 school year!
